

Shirley
100 YEARS

A century of reassurance

With a proven track record of work with multinational yarn, fabric and finished product manufacturers, garment producers and high street retailers, Shirley® has been delivering world-leading textile testing, investigation and certification services for 100 years.

And as the official representative in Singapore, UK and Kenya for OEKO-TEX®, we test and certify textiles and leather throughout the supply chain, making it easier for you to choose products that are harmless to health, ethically made and environmentally sustainable.

For quality support and unrivalled expertise, trust Shirley®
