

The Next Generation of Automated Cutting

 GERBER
PARAGON CUTTER

EASE OF USE

Even inexperienced users learn to operate Paragon in only a few hours and can rely on its built-in intelligence to guide them through any cutting task.

MAXIMUM THROUGHPUT

Quick, accurate set-up and self-adjusting cutting intelligence means more parts are cut in less time.

OPTIMAL FIRST-RUN YIELD

Paragon's built-in intelligence balances speed and quality to deliver perfectly cut parts the first time, every time.

UPTIME

Simple design and intelligent engineering combine to deliver the most reliable cutting system on the market.

METRICS THAT MATTER

Real-time metrics enable managers to analyze workflow issues and maximize cutting efficiency.
