

A HAVEN for Your INVESTMENT in Central Vietnam

VSIP QUANG NGAI INTEGRATED TOWNSHIP AND INDUSTRIAL PARK

At 6,000 hectares, the Vietnam Singapore Industrial Park is amongst the largest integrated township and industrial park development in Vietnam initiated by the Government of Singapore and Vietnam.

For 17 years, VSIP has been at the forefront of Vietnam's industrialisation journey. VSIP has attracted over 490 companies from 22 investor countries with over S\$9 billion in export value.

VSIP is named by UK financial publication, Euromoney as **"Best Industrial Developer in Vietnam, 2013 and 2008"**

VSIP Quang Ngai Integrated Township and Industrial Park is the latest 1,120 hectares project in the central province of Quang Ngai, Vietnam and the 5th in the series of VSIP Integrated Township and Industrial Park projects. Located within the few remaining special economic zones, VSIP Quang Ngai offers investors preferable incentives accorded by the government of Vietnam. It is well-connected to the airports, sea ports and other cities.

VSIP Quang Ngai offers investors:

- **One-stop service and strong government support**
 - "One-stop" business service to facilitate tenants with a smooth investment start-up
 - Strong support from provincial authorities
- **Attractive Tax Incentives**
 - Preferable incentives under the Dung Quat Economic Zone scheme including a 4-year tax holiday
 - Tax-free export to the United States for textile and textile products upon the implementation of the Trans-Pacific Partnership (TPP) Agreement
- **Intensive Labour Force**
 - Cost competitive labour force available for labour-intensive industries
